Hi Taylor,

Due to budget uncertainties this Fiscal Year, EPA will not be able to attend the McGrath Scoping Meeting on February 15. However, if a teleconference line will be provided at the meeting, we may be available to participate by telephone.

Thank you

Mark

Mark,

This was intended to get to you last week on Monday. So sorry, it was misdirected, and I didn't realize the error until this morning.

Please advise regarding EPA travel plans for the McGrath meeting, when convenient.

Friends,

I know everyone is anxious to make travel plans for a meeting late next week. We have made major adjustments to the initial scoping meeting schedule, and are trying to continue with travel windows every other week (i.e. late in the week of Feb 11; week of Feb 25, week of March 11, and early the following week of March 18.) As we can confirm planned dates with villages, we will provide that information as quickly as possible.

I am writing to confirm that Moxie has gotten approval through the McGrath Native Village council for the proposed date of February 15.

The meeting will be held from 4:30 – 7:30 at the McGrath Native Village council Office.

We have booked airline tickets for the URS folks (Moxie Alexie, Kim Wetzel, and Mary Vavrik) as follows:

Friday Feb 15 – PenAir #235, depart Anchorage 12:45, arrive McGrath 1:45

Saturday Feb 16 – PenAir # 236, depart Anchorage 2:15, arrive Anchorage 3:15

Please book airlines travel for your agency representatives directly with Pen Air.

We will have recommendations for lodging in McGrath for the evening of February 15<sup>th</sup> by tomorrow. We will also be making our best effort to reserve ground transportation in McGrath.

Please provide back to us the list of your agency representatives that plan to attend the McGrath meeting.
